

November 14<sup>th</sup>, 2016

**VIA IBFS**

Federal Communications Commission  
445 Tenth Street, SW  
Washington, DC 20554

**Subject: request for confidential treatment of response to FCC request on HISPASAT 30W-6 petition to provide service in the U.S. market (SAT-PPL-20160722-00064)**

We hereby kindly request confidential treatment of the response to the FCC request for additional technical information on HISPASAT 30W-6 petition to be added to the permitted list.

The reason for this request is that information contained in the Annex of the letter of response is under ITAR regulations.

Respectfully submitted,

HISPASAT, S.A.
